Organize Your NCLEX Journey

Comprehensive weekly study maps to keep preparation focused, measurable, and consistent.

YOUR PREPRX PRESCRIPTION

Rx: NCLEX Success

Dose: Focused review + daily practice questions

Frequency: Consistent study sessions each week

Refills: Remediation, reflection, and determination

Student name:

NCLEX target date:

Planner start date:

My why:

Consistency over cramming.

MY NCLEX ROADMAP

Set the destination before building the weekly plan.

NCLEX exam date:

Weeks until exam:

Study days each week:

Time available per study day:

Current Readiness Snapshot

CLIENT NEEDS AREA	STRONG	DEVELOPING	PRIORITY
Management of Care	☐	☐	☐
Safety & Infection Control	☐	☐	☐
Health Promotion & Maintenance	☐	☐	☐
Psychosocial Integrity	☐	☐	☐
Basic Care & Comfort	☐	☐	☐
Pharmacological & Parenteral Therapies	☐	☐	☐
Reduction of Risk Potential	☐	☐	☐
Physiological Adaptation	☐	☐	☐

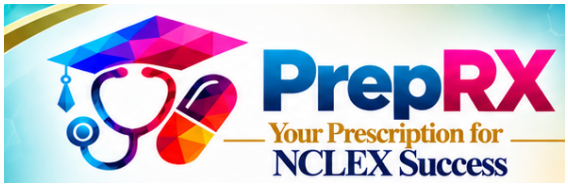

My Top 3 Priorities

1.

2.

3.

What would make me feel more confident by test day?

MY NCLEX JOURNEY MAP

Map each week from foundation to final readiness.

WEEK				DONE
1	Foundation + Strategy			☐
2	Management of Care			☐
3	Safety & Infection Control			☐
4	Health Promotion + Psychosocial			☐
5	Basic Care + Pharmacology			☐
6	Risk Reduction			☐
7	Physiological Adaptation			☐
8	Mixed Review + Readiness			☐

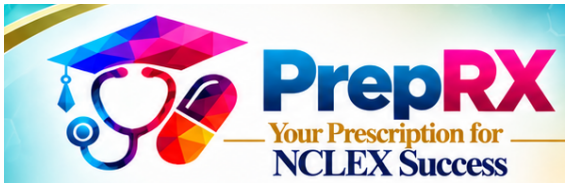

My Study Formula

LEARN
Focused review

PRACTICE
20-30+ questions

WEEK 1 STUDY MAP

Tap each field to enter your plan and progress.

Week of: **Primary focus:**

Question goal: **Confidence goal:**

DAY	CONTENT / TOPIC	QS	SCORE	REMEDIATION / CLINICAL PEARL	DONE
D1					☐
D2					☐
D3					☐
D4					☐
D5					☐
D6					☐
D7					☐

Weekly Reflection & Remediation

Strongest topic:

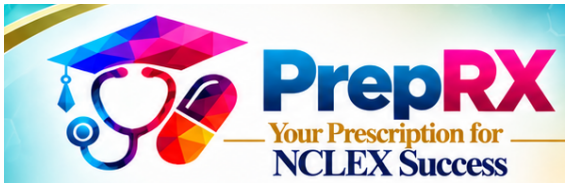

Topic needing more review:

Most important NCLEX trap:

Clinical pearl to remember:

Next week's adjustment:

☐ Met study goal ☐ Reviewed rationales ☐ Remediated weak areas ☐ Ready to move forward

WEEK 2 STUDY MAP

Tap each field to enter your plan and progress.

Week of: **Primary focus:**

Question goal: **Confidence goal:**

DAY	CONTENT / TOPIC	QS	SCORE	REMEDIATION / CLINICAL PEARL	DONE
D1					☐
D2					☐
D3					☐
D4					☐
D5					☐
D6					☐
D7					☐

Weekly Reflection & Remediation

Strongest topic:

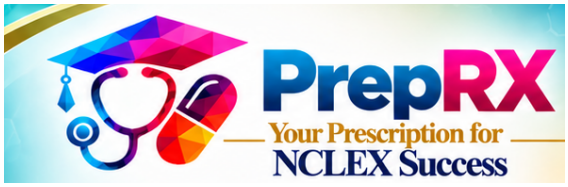

Topic needing more review:

Most important NCLEX trap:

Clinical pearl to remember:

Next week's adjustment:

☐ Met study goal ☐ Reviewed rationales ☐ Remediated weak areas ☐ Ready to move forward

WEEK 3 STUDY MAP

Tap each field to enter your plan and progress.

Week of: **Primary focus:**

Question goal: **Confidence goal:**

DAY	CONTENT / TOPIC	QS	SCORE	REMEDIATION / CLINICAL PEARL	DONE
D1					☐
D2					☐
D3					☐
D4					☐
D5					☐
D6					☐
D7					☐

Weekly Reflection & Remediation

Topic needing more review:

Most important NCLEX trap:

Clinical pearl to remember:

Next week's adjustment:

☐ Met study goal ☐ Reviewed rationales ☐ Remediated weak areas ☐ Ready to move forward

FINAL READINESS + TEST WEEK

Finish focused, rested, and confident.

Final Readiness Check

☐ Completed mixed comprehensive practice	
☐ Reviewed recurring weak areas	
☐ Reviewed priority and delegation strategies	
☐ Reviewed safety and high-alert medication concepts	
☐ Practiced NGN / clinical judgment items	
☐ Confirmed test-day logistics	
☐ Planned sleep, meals, and travel	

My Final Test-Week Plan

Sleep plan:	
Travel / arrival plan:	
Meals / hydration:	
Final review boundaries:	

My Test-Day Confidence Note

I prepared with purpose. I will prioritize safety, trust my clinical judgment, and take one question at a time.
